

## Real-World Use Cases That Matter

**Built For Every Role.  
Proven In Every Scenario.**

CAMPUS Secure+ brings together physical safety, cybersecurity, and compliance under one unified platform; delivering peace of mind for leaders, staff, and families across your district.

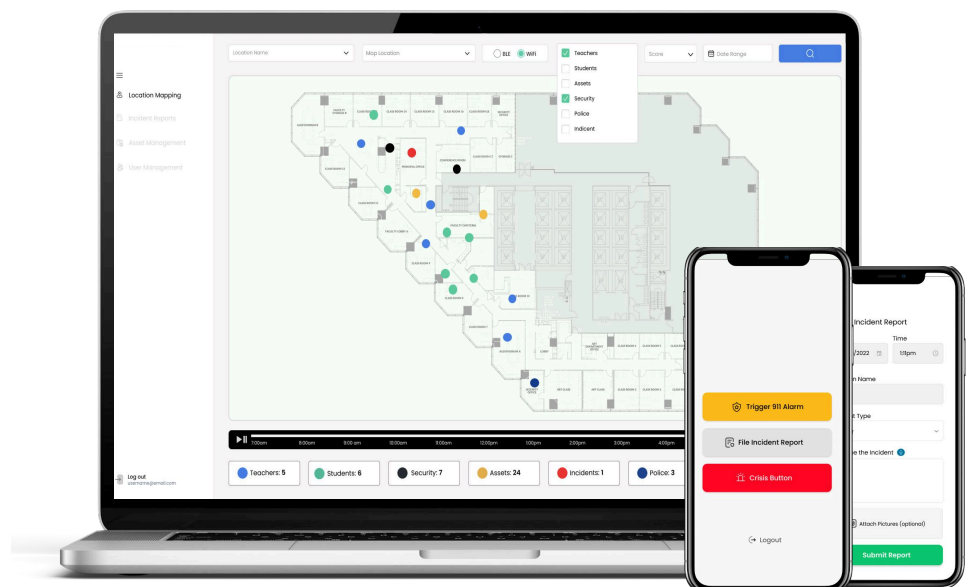

**Director Of Facilities / Campus Safety Manager  
Scenario:  
Missing Student with Medical Alert Bracelet**

Mr. Benson gets an urgent report: a diabetic student has not returned from recess. He checks hallway cameras and radios staff—no response. Time is critical. Historically, he'd rely on guesswork, hope, and scattered systems.

## With CAMPUS Secure+

- The BLE-Enabled Bracelet Triggers An Elopement Alert.
- The Dashboard Shows Last Known Location And Live Campus Perimeter Tracking.
- Emergency Teams Are Instantly Notified And Dispatched.

## Outcome:

Student found within minutes. System logs show compliance with emergency protocols and Alyssa's Law panic routing. Staff no longer rely on luck—they act on data.
